## Your Horoscope for July 2018

Mar. 21 - Apr. 20

**Aries** – When everything is going your way, you are absolutely glowing. But if things don't come naturally to you, frustration may set in. Find a balance between the two. Your head is in the stars and your feet are on the ground, but this outlook is working for you. Just do not live in fantasy land too long. Others appreciate all that you do for them. But sometimes they must take matters into their own hands so they can get a learning experience to build upon. A motivated mind could be the inspiration you need to progress with your tasks this week, Aries. Take short breaks to maintain your stamina and make it through.

Apr. 21 - May 21

**Taurus** – Planning stages are over and now you're about to turn your goals into reality. Just be sure to adapt to the changing environment as things unfold. Just when you thought a relationship had gone as far as it could go, things start to change this week. Plenty of excitement is coming your way. All of your plans may turn entirely in an different direction at the last minute. You'll need to roll with the punches to get through everything unscathed. You may be curious to explore new places. New experiences can provide excitement and stimulation. Book your plans now.

May 22 - June 21

**Gemini** – You might be seeking ways to help others in need, but you do not have patience when things take longer than expected. Stick to the plan and see it through. You might get word of something exciting or new coming your way. A chance to socialize with others or even a job opportunity may be on the horizon. Keep an eye out. You may have an inkling of what is around the corner, but you aren't sure of the finer details. Patience will be rewarded with a worthwhile surprise. Seeking out new ideas and opportunities may boost your self-confidence and contribute to personal growth. Don't shy away from new experiences.

June 22 - July 22

**Cancer** – it is important to support others' goals and the steps they take to achieve them, even if you do not necessarily agree with their formula for success. Have fun and let loose. These may be things you haven't done in some time and you can certainly use a break from the norm. Make health a priority. If you haven't already done so, make a list of your health goals and then schedule a consult with your doctor. Your confidence may have been waning for some time, but this is the time to once again grab the reins and realize that you are more than capable.

July 23 - Aug. 24

**Leo** – Happiness has less to do with what is happening in the world and more with your own perceptions, Leo. Keep this in mind as you move forward in life. You may be reticent to go back to work, especially if you are coming off of an extended vacation, Leo. But putting off the inevitable will only make the transition tougher. Responsibilities do not magically disappear, even if you hide beneath the proverbial covers. Tackle your tasks with ferocity and you'll sail through all your tasks. A hectic personal and professional life may be causing feelings of exhaustion. Take some time for yourself to restore your energy and put you in good health.

Aug. 24 - Sept. 22

**Virgo** – Challenges at work may be tiring you out. People may seem like they are all over the map instead of working together. Try to get everyone going in the same direction. There may be some buzz surrounding your social life if you are game for taking chances. It may be time to pursue a burgeoning friendship. Complex issues keep coming up and they will need to be resolved at some point. Change may be a good thing for you right now because it can clear your head. Others may notice your good mood. This may be a result of a deep sense of purpose and satisfaction with where your life is at this point in time.

Sep. 23 - Oct. 23

**Libra** – Avoid going too far off in your own direction, Libra. Before making any rash decisions, take some time to ask questions and get answers. Are you ready for a well-calculated risk? If so, then a startup venture, sizable investment or converting a hobby into a career could be the way to go. Revealing your true feelings about a situation may induce some anxiety. However, others value your honest opinions on things and want you to voice your concerns. Your emotional responses to relationships may make you appear more sensitive. Don't worry about others' perceptions of you in the days ahead.

Oct. 24 - Nov. 22

**Scorpio** – If something doesn't initially work to your liking, don't be shy about giving it another go. The challenges ahead will be worth it when you ultimately succeed. You can't lie to yourself, so own up to anything that needs improving. Take some time for some serious self-reflection and devise a plan to fix things. Finding time to get all of your work done and pursue your hobbies can be challenging. Fortunately, you have helpers waiting in the wings to lend a hand. You may be inclined to engage in something that expresses your creative spirit. Immerse yourself in nature and beautiful things for inspiration.

Nov. 23 - Dec. 21

**Sagittarius** – Your creativity and emotions are linked this month. Pour your heart and efforts into a special project that reflects just how you are feeling. Love and support are all around you this week. This support couldn't come soon enough. Some extra support will help you overcome an obstacle. Mull over your opportunities for travel. You will unwind as long as you are escaping the daily grind. Make an effort to find something you'll enjoy doing. You may be tempted to make hasty decisions as your patience begins to wane. Resist this temptation, as it may only complicate matters.

Dec. 22 - Jan. 20

**Capricorn** – Nothing in a current relationship is unfolding as you had expected. That's alright. This sense of adventure that keeps you guessing is a welcome change. There is strength in numbers. If you can rally together a team, you can accomplish much of your to-do list in half of the time. Something may be irking you this month and you absolutely need to get to the bottom of it. Do your research and work out an acceptable resolution. Devote some time to creating more balance in your life. Balance can contribute to greater quality of life and overall happiness.

Jan. 21 - Feb. 18

**Aquarius** – Working closely with others is one of your strong points. Disagreements on how to approach different projects can be tricky to navigate, but you're up to the task. Thoughts about how you can work less but earn more may have been swirling through your mind. Write down your plan and determine how to make it happen. Take some time off for yourself. Sometimes change can do a body good, and you have earned some time for rest and relaxation. Enjoy the solitude. A desire to be with others can lead to new relationships. Embrace any opportunities to connect with someone new, going outside your comfort zone if need be.

Feb. 19 - Mar. 20

**Pisces** – There may be little separation between your career and personal life. If that works for you, forget the naysayers. Truth may be stranger than fiction. Before you believe that something is false, gather all the facts. Perfection may require a few rough drafts. Don't let a failed first attempt derail you from trying again. Persistence pays off. Deadlines regarding work projects has you feeling apprehensive. Do not be held hostage to your worries. Divert your thoughts elsewhere.

## July Star Parties

July 13, 8:30-10:00pm, Planets  
July 27, 8:30-10:00pm, Exploring Lunar Eclipses  
\$3/person, \$12/family, FREE for members

Join us for a unique experience exploring the night sky. CCDC staff will be manning our 14-inch telescope, leading activities, and facilitating discussions. The party will move to our indoor planetarium if there is inclement weather.

Themed Activities Include:

- Observing deep sky objects - like galaxies, nebulae, and star clusters - through our telescopes
- Tour of the constellations in our night sky
- Exploring the night sky through stories, science, and creativity!

FREE hot chocolate provided. We would love it if you brought your own mug!
